

NPT Female Quick-test Bulkhead Unions

Connect a hose on one side of a panel, wall or enclosure with female NPT on the other side

Features

- Bulkhead seals so no liquid or moisture can get into a control panel or enclosure
- Use to connect fittings on the inside of an enclosure to a Quick-test hose on the outside of the enclosure
- Will connect through a wall that is up to 0.5 in (1.3 cm) thick
- Made in USA

NPT Female Quick-test Bulkhead Unions
