

NPT Male Quick-test XT Fittings

Connects Female NPT to Quick-test XT 10,000 psi hoses for permanent installation

Features

- Connect to pressure transmitters, EFMs, Flow Computers and other NPT devices under test using thread sealant for a permanent connection
- Cap and chains make calibration easy and quick by connecting and disconnecting without a wrench or thread sealant
- Note that these are not compatible with QT or QS hoses. Please use Quick-test XT hoses
- Made in USA
