

Quick-test Bulkhead Connections

Excellent for safely connecting two Quick-test hoses through an enclosure, truck, or panel wall

Features

- Bulkhead seals so no liquid or moisture can get into a control panel or enclosure
- Use to connect a Quick-test hose on the inside of an enclosure to a Quick-test hose on the outside of the enclosure
- Will connect through a wall that is up to 0.5 in (1.3 cm) thick
- Made in USA
