

## Quick-test XT Bulkhead Connections

Excellent for safely connecting two Quick-test XT 10,000 psi hoses through an enclosure, truck, or panel wall

### Features

- Bulkhead seals so no liquid or moisture can get into a control panel or enclosure
- Use to connect a Quick-test XT hose on the inside of an enclosure to a Quick-test XT hose on the outside of the enclosure
- Will connect through a wall that is up to 0.5 in (1.3 cm)
- Note that these are not compatible with QT or QS hoses. Please use Quick-test XT hoses
- Made in USA
